Good News... Signs of 2nd Coming...

By Pastor Ken Studer

October is one of my favorite months. Usually the 100 degree weather has gone for another year and it is actually chilly, especially at night. In October, my family and I enjoy apple picking, apple cider and apple turnovers. A trip to Julian or Oak Glen is a must!

October is the 10th month of the year but *Octo* in Latin means "eight." About 750 B.C. the Roman calendar was changed. October used to be the 8th month of the year but after the change it became the 10 month of the year.

October has many special events: Halloween (31st), Breast Cancer Awareness Month, Vegetarian Awareness Month, National Dessert Day (14th), National Fine Arts Appreciation Day (25th), National Taco Day (4th), World Smile Day (7th), National Depression Screening Day (8th), National Pumpkin Cheesecake Day (21st), International Coffee Day (1st). There are many more. But I especially like the last three in this list.

I always get depressed if I can't have my pumpkin cheesecake with my coffee! Just kidding.

We used to live back East. I still remember the smells of Autumn. There was the smell of the burning of leaves and the smell of the fireplace logs burning. There was beautiful foliage and delicious Concord grapes.

When October came around we knew that it wouldn't be long before Thanksgiving and Christmas would make an appearance. The stores would have already started putting out Christmas products and decorations. We knew it wouldn't be long before the year would end.

Just as October signals the soon coming of the end of the year, Jesus taught that there would be signs that signal His 2nd Coming.

Jesus said there would be wars, famines, earthquakes, lawlessness, persecutions, rampant sin, and the love of many will grow cold. The Good News will be preached throughout the whole world and then the end will come.

October Events

**Saturday
October 29
